

Discover an Exceptional Experience

Pool Cleaning Made Easy

Dolphin DB Series robots are designed by Maytronics to do all the hard work – providing incredible cleaning performance and efficiency.

Leave it all to a Dolphin DB Series cleaner, and enjoy:

Effortless operation

- Cartridge filtration system – easy to remove and clean
- Lightweight options (DB 1 & DB 2) are easy to handle and store
- Fast, debris-free water release – easy to remove from pool

Crystal-clear cleaning results

- Thorough brushing action, scrub away dirt and debris
- Effective, easy-to-use fine filtration system
- Powerful dirt collection - collects fine and rough debris

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Certified ISO9001 quality standard

Standard features across the DB Range

CleverClean™ scanning system

Thorough brushing & filtering

Weekly Timer

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind the industry-leading Dolphin robot. For more than 30 years, we have been developing robotic cleaning solutions for all swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe and relaxing pool.
